

Longmeadow Homeowners Association

Board Meeting Minutes

June 7, 2012

In attendance: Thomas Rutt, Bernadette Reiling, Jim Popham, David Wesley, Rich Thompson
Rich Thompson gave an update on the unpaid assessments. Currently there are 120 properties that have not paid.

The group went over plans Tom Rutt and Bernadette Reiling had crafted for landscaping at the entrance to the community. The group drove to the front of the neighborhood to assess the current setup of the signs/flower beds. An agreement on the general design was made and Tom Rutt will contact the landscaper to move forward with project.

Tom Rutt updated the group that he had found a contractor that could remove the gazebo for a reasonable cost. He will notify the contractor to do this in the coming week.

Meeting adjourned.
